

Ballroom Dancing in Florence

Dear Ballroom Dancing Enthusiast,

For those of you that may be interested in furthering your ballroom dancing skills & techniques, we will be providing Ballroom I & Ballroom II lessons at the Poynor Adult Center here in Florence beginning in February. Please find below an overview of these lessons.

The Poynor lessons are an excellent opportunity to learn the basic steps in the six dances taught. Even if you have some basic knowledge of the dances, these lessons are a valuable tool to improve your dance styling & technique. Many of our students have returned to retake the basic lessons for something new is always gleaned. At the conclusion of these basic lessons, we then offer Ballroom II for those that wish to take what they learned in Ballroom I to a new level. In Ballroom II, we focus on some new steps, the man's lead, lady's styling, maneuvering around the dance floor, etc. In addition, at the end of each week's dance instruction, a recap video is provided so that students can view and practice the steps at home. We have found this to be invaluable in trying to remember the step details from week to week and also can be viewed in the future as a refresher.

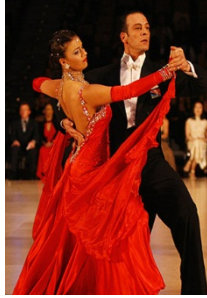

Poynor will begin advertising the February classes soon. You will need to pay the Poynor Adult Center prior to the first class and can only be done in person by check for they do not accept credit cards over the phone. The payment office is on the 2nd floor. Some attendees arrange to be at the first class in time to pay before the first class begins. This is acceptable but please be aware that the classes begin promptly at 6:00 PM so that valuable teaching time is not lost. The first 15 minutes of the week's class will be a 15 minute review of the dance steps taught the prior week. For those who may not be able to make all 6 lessons, we coordinate with the students to come in at ~ 5:30 PM or stay a little later to get caught up on the week that was missed.

If you are interested in these lessons, please provide your e-mail address and contact phone number. In closing, we hope you choose to participate in this Ballroom I session beginning in February. We have found ballroom dancing to be a life changing experience as you will soon find out. Please advise if you have any questions or if we can be of further assistance.

Sincerely,

Vence & Pauline Jelovchan

Overview: The lessons are designed to teach those that have no ballroom dance experience, or any dance knowledge, the basic steps of each dance. At the end of each lesson, the participants will be able to function and maneuver on the dance floor utilizing the basic steps learned in that particular dance. For those that are more experienced in ballroom dancing, this will be an opportunity to further fine tune your previous skills.

The spirit of the lessons will be to promote fun and fitness while enjoying and learning the benefits of ballroom dancing. For those that desire to continue on and practice their newly found skills, participants are invited and encouraged to attend the monthly Palmetto Ballroom Dance Club socials held at the Leatherman Center.
